Arriving by plane:

Düsseldorf Airport is one of the biggest European airports. There is a good connection to the main station by city train (S-Bahn) and from there to the university by underground (line U79 to the final stop "Uni-Ost / Botanischer Garten" = University east / botanical garden). There are several options to go from the airport to the main station. If you are at the terminals you can take the city train (S-Bahn) S11 (to Bergisch-Gladbach). Another option is the connection by sky train to the station "Düsseldorf Flughafen". There you have the chance to go by city train (S-Bahn) S1 (to Solingen) or trains RE 1 (to Aachen), RE 2 (to Düsseldorf Central Station), ERB RE 3 (to Düsseldorf Central Station), RE 5 (to Koblenz), RE 6 (to Köln/Bonn Flughafen) or ABR RE19 (to Düsseldorf Central Station). After having arrived at the central station you have the opportunity to go directly to the University by underground no. U79 (to Düsseldorf Universität Ost / Botanischer Garten) which leaves every 10 minutes below the central station. It takes about 12 minutes to go by underground. You have to step out of the underground at their final stop, "Universität Ost / Botanischer Garten". Having left the underground you must turn left and walk some minutes. After having passed a slight hill please turn left. Just enter the building (25.12) at the main entrance and pass it straight towards the second glass door. Before the door on your right hand side you will find the lecture hall 5G.
